Cliff Gordon, the "German Senator" the actor manager who has made the world laugh, says: "Have never had better liquors or at better prices. I carry them everywhere with me."

Bobby North, one of the stars of the Follies of 1910, says: "I don't believe I ever had such good whiskey as your Private Stock. How can you sell it for the price?"

Al. H. Woods, one of America's most famous Theatrical Managers, says: "Enter my standing order for one gallon of whiskey and one of Swedish Punch each month. I propose to be a steady customer."

You will note that we have listed a number of standard wines and liquors in our order blank. They are, on all, liquors that are fit to grace the sideboard of any home in America. We want to call your special attention to our famous "SWEDISH PUNCH" This is one of the best holiday liquors that has appeared in years. It is made from a recipe that has been handed down from generation to generation; by the Royal Family of Sweden, and is now, for the first time, put upon the American market. Too much can not be said for it.

PIKE COUNTY REALTY EXCHANGE

List your property with us if you wish to sell. City people are looking for summer homes, bungalow sites, camp locations and farms in this section. We can place your property before city buyers through our New York Office. Those who have furnished houses to rent should list them with us. We will have applications for them.

No systematic and business-like method has been adopted heretofore to effectively place before city people the attractions of Pike County and to bring them in close touch with this section. Many people would establish summer homes here if they knew of the local conditions. Pure water and air, freedom from mosquitoes, cool nights and beautiful scenery, are what people in the cities are searching for. Pike County too is within three hours of New York City, and with the automobile, reasonable distance, instead of constituting a drawback, is now considered by people who can buy, an advantage, especially in the selection of a country site.

The Pike County Realty Exchange proposes by legitimate advertising to bring city people in close touch with the natural advantages of Pike County and to establish a headquarters for property owners to list their property and at which prospective purchasers may apply for the kind of properties they wish to obtain. Thus a medium of exchange will be established at which sellers and purchasers may be brought together.

A live real estate office can do more good for Milford than any other agency. It has been rightly said: Of course the Pike County Realty Exchange has not been established primarily for a public purpose, but the advancement of this locality will be one of its objects.

Every new summer home or estate enhances the value of all other property. Those who have property for sale and prospective purchasers should write at once to

ARMSTRONG'S PHARMACY.

Rupture Quickly Cured

No Charge if You Don't Get Relief

Not a single cent comes out of your pocket if a trial of the Clute Truss which automatically gives Massage Treatment doesn't result in immediate relief. We don't want a cent of your money unless this Truss does you a world of good.

The Clute Truss with its Automatic Massage Treatment is entirely unlike any other truss ever made. There is no belt, no leg straps, no springs, no harness of any kind whatever. Nothing at all uncomfortable.

Your Rupture Can't Come Out. You'll feel a whole lot stronger the minute you put this Truss on. Your rupture will never again come out.

No matter how you lift and strain, the Clute Truss will hold your rupture securely and comfortably in place. You'll never suffer another moment's discomfort. Think of that—you who now have to put your rupture back perhaps many times a day—you who now wear trusses that cause you constant torture.

Automatic Massage Treatment. The Clute Truss automatically gives a wonderfully beneficial massage treatment.

It has Automatic Holding Pads. They are self-regulating—self-adjusting to every movement you make. That is why it is utterly impossible to force these pads out of position. There is always proper support for your rupture.

And these Automatic Holding Pads automatically massage the weakened muscles at the rupture opening until they are strong and sound.

This massaging does for these muscles what exercise does for the arms or legs. That is how the Clute Truss cures even after everything else has failed to do any good whatever.

Cures in Short Time. When you wear a Clute Truss you can do any work that you could do if you weren't ruptured.

And, unless yours is a terribly bad case, the Clute Truss with its Automatic Massage Treatment will soon cure you completely.

The Clute Truss has cured some of the worst cases in history.

Cured men and women 10, 20 and 30 years old—people who had been ruptured 20 to 30 years—people who had worn dozens of other trusses in vain.

Our Expense if It Fails. Please do not doubt these statements. See the proof in our free book it is your duty to send for.

Remember that you can try the Clute Truss at our risk. Let it prove all we say. If it fails to hold your rupture every minute of the day, it won't cost you a penny.

Free Book Tells. We have written a book—which runs up all that we have learned about Rupture in forty years of day-after-day experience—in the successful treatment of over 25,000 cases.

This book explains why elastic, spring and leg-strap trusses or appliances can never cure. It explains about operations. It exposes the fraud behind some of the advertised "methods." It puts you on guard against throwing money away.

And it tells all about the Clute Truss with Automatic Massage Treatment. It tells the experience of many former sufferers. And we give you (with their permission) the names and addresses of over 2,500 people who have received instant relief at our hands—most of them entirely cured—some of them you probably know.

Your name on a postal—or on the coupon below—brings you this helpful book. Send today—don't put it off—when you read this book you will know how you can get immediate relief without risking any more money.

When writing, please give our Box number, as below.

To A Cat
By LENNOR C. BRENNAN

A cat, a Maltess cat, I once did know
Which lived and dwelt not by a fire-side hearth
But out of doors with Nature and the earth
And flowers and trees and there, needs must, did grow
In soul, for even cats have souls, I trow;
But this domestic feline quite lacked mirth,
At least in its anatomy a death
There seemed to be of joy, dumb joy, to glow;
Still, when I'd pondered on it for a while
I came to a conclusion quite at once
That this was an Egyptian from the Nile
Which had decided, Sphinx-like, for the nonce
To smile in heart but wear no outward smile
And I perforce then called myself a dunce.
